Re: Clerk-Treasurer Position

Dear Mrs. Lowe:

During your interview, council made note that before agreeing to take this position, you would require health benefits for premiums, deductibles or other medical expenses as we are aware of your health situation. The Darmstadt Town Council and I determined to provide benefits if you will agree to accept the position as Clerk-Treasurer. As we discussed during your interview, the town will provide benefit allowances while we are also looking forward to IACT's new Medical Trust Insurance Program that should be starting soon. Council will provide benefits and look forward to you accepting our offer to fill the seat of Clerk-Treasurer.

Please contact us if you have any questions or require additional information.

Sincerely,

William M. Smith

William M. Smith
Darmstadt Board President

cc: All Town Council Members
